Ingredients: Beef, water, seasoning (bleached wheat flour, sugar, salt, hydrolyzed soy, corn and wheat protein, beef fat, dextrose, maltodextrin, onion powder, tomato powder, disodium inosinate, disodium guanylate, yeast extract, citric acid, yeast, modified food starch, corn syrup solids, vinegar solids, thiamine hydrochloride). **Allergens:** Contains soy and wheat.

Cooking Instructions: Always cook from frozen state for best results and to reduce cross contamination. Keep raw patties separate from cooked patties and other foods. Place patty on a preheated (350° F) grill and cook until juices begin to "pool". Turn patty and continue cooking until juices run clear. Always cook ground beef products to an internal temperature of 160° F.
