- Cooks consistently crunchy and golden brown.
- Superior retention of juicy steak flavor
- Consistently inconsistent shape for homemade appearance.
- Flexible applications - breakfast, lunch, and dinner.
- Maintains freshness with most holding conditions
- Processed under HACCP to insure food safety

STORAGE & COOKING INSTRUCTIONS

Holten's Country Fry Steaks are individually quick frozen at our plant to lock in freshness and superior taste. They are shipped frozen and will maintain their freshness 180 days from the code date when held at 0°F or colder. Cook our Country Fry Steaks from frozen state for best results. Deep fry at 350°F - 360°F until product floats to the surface (approximately 3 minutes for 4 oz., 3½ minutes for 5.3 oz., 4 minutes for 8 oz., and 6 -6½ minutes for 11 oz.). Let stand for 30 seconds before serving. Always cook product to an internal temperature of 160°F.

INGREDIENTS

Beef, salt, sodium tripolyphosphate.
