

HÖLTEN MEATS STEAKS

Holten's quality steak products are the best value in the market! They are cut with automatic portioning equipment for exact portion cost and reduced labor, and are vacuum packed for extended shelf life. Each box contains exact number of portions consistently sized to ensure even case weights – no catch weights, so customers know their exact cost. Holten steaks are produced under a HACCP Program and pass through no less than 30 quality checks in our USDA-inspected Total Quality Control plant. Holten steaks provide the end-user with consistent portion control, product safety, and ease of handling and cooking. Most important, Holten steaks have the great taste that keeps customers coming back again and again!

Holten's THICK N JUICY® Steaks are made from USDA Choice primals. The versatile Black Angus, Coulotte, and Flat Iron Steaks are great as breakfast steaks, as sandwiches, cut into strips for salads or fajitas, or served as an entrée with seasonings or steak sauces. Holten also has the classic favorites like Ribeyes and T-Bones!
