# PORK ITEMS

## Features:

- \* Automatic Portioning Equipment: State of the art equipment is used for better quality, strict weight control, and consistent sizing.
- \* Exact Portions: Each box contains exact number of portions consistently sized to insure even case weights – no catch weights, so customers know their exact cost!
- \* Raw materials are only purchased from approved vendors that are routinely audited for food safety & sanitation.
- \* Holten pork items are produced under a HACCP Program. Finished products are monitored for microbial levels per customer specifications.
- \* Every product goes through no less than 30 check points in an USDA Inspected Total Quality Control Plant.

## Benefits:

- \* Pork chops are marinated with a subtly seasoned solution to enhance consistency, flavor, and juiciness - delivering a great tasting chop every time, every application!
- \* Consistent product in every serving.
- \* No product waste.
- \* No labor required for cutting/trimming.
- \* Easy inventory control and tracking.
- \* Reduces spoilage.
- \* Smaller inventory required; no need to be out of stock and less space required for storage.
- \* Lower cost per serving.

## Menu Versatility:

- \* Serve pork chops for breakfast with eggs and hash browns or with biscuits and gravy.
- \* Serve pork chops with potatoes and gravy for a hearty country supper.
- \* Marinate pork chops and grill, or serve with a variety of sauces.
- \* Diced pork is great for chili, stews, soups, salads, and kabobs!
- \* Ground pork can be used for meatballs, meatloaf, tacos, meat pies, stuffed vegetables, chili, won-tons, hash, and more – only your imagination is the limit!
