

QUALITY BEEF PATTIES

When both healthfulness and cost consideration are musts, Holten Meat's Quality Beef Patties fill the bill. Our Quality Beef Patties are made from flavorful, lean ground beef and textured vegetable protein. Since they contain soy protein, they're lower in fat and cholesterol while still having lots of protein. They're economical and convenient to serve, with plenty of good beef flavor and texture.

You'll find Quality Beef Patties to be a good source of nutrition with plenty of that rich beef taste that everyone likes. An excellent value designed with both your health and bottom line in mind.

All Holten products are fresh frozen from quality ingredients at Holten's state of the art processing facility to lock in their great taste and freshness. Holten products provide the end-user with consistent portion control, product safety, ease of handling and cooking, and great taste!

BENEFITS...

- ✓ Good taste, texture, and appearance.

Cooking Instructions:

Always cook from frozen state for best results and to reduce cross contamination. Keep raw patties separate from cooked patties and other foods. Cook on a pre-heated 350°F grill until juices begin to pool. Turn and continue to cook until juices run clear, approximately 6 to 10 minutes total cooking time. **Always cook ground beef products to an internal temperature of 160° F.**

Ingredients: Ground beef, water, textured vegetable protein (soy flour, zinc oxide, niacinamide, ferrous sulfate, copper gluconate, vitamin A palmitate, calcium pantothenate, thiamin mononitrate (B1), pyridoxine hydrochloride (B6), riboflavin (B2), and cyanocobalamin (B12)), isolated soy protein, seasoning (salt, monosodium glutamate, sugar, flavors, turmeric extractive, hydrolyzed soy protein, hydrolyzed corn protein). *Allergens: Contains soy.*
